

COOKING TOP CERAMIC

Model: PCC-4 EMX

Article no: 1695901304

Power supply: 230V 1Ph ~50/60Hz

Ranges with glass ceramic hot plates have two respective four thermostat controlled, marked cooking areas and are manufactured in two widths - 400 and 600 mm. The ranges are made of stainless steel with a galvanized bottom plate. The front panel has clear and easily accessible controls. The cook-top has raised edges on three sides to collect any spillage. The sides of the range are smooth and easy to clean. The ranges are connected to the mains supply at the rear using the supplied 1.5 meter cable.

The ranges can be positioned with the rear directly against a fireproof wall. A stainless steel floor cabinet with doors and drawers is also available. The floor cabinet can be fitted with guide racks and grid shelves for Gastro-Norm1/1. The floor cabinet has adjustable legs. For further specifications of the different models as well as optional extras.

MAIN FEATURES

- Stainless Steel
- Ceramic Hot Plate
- Thermostat Controlled Cooking Area
- Hygenic Design
- Energy Saving Heating
- Quick and Effective Heat Transfer
- Two Sizes
