

FOOD PROCESSOR/MIXER 3,5L

Model: FP35E

Article no: 9S0918

Power supply: 230V 1Ph ~60Hz

This table-top food processor/mixer is equipped with one-speed motor and offers a wide range of functions. The machine chops meat, cuts and chops vegetables, makes mayonnaise, mashes tunes, fruit or vegetables, knead dough for pizzas, buns and cakes in a matter of seconds. Inclination of the cutting group in combination with the design of the food bowl guarantees a good result thanks to the blade grazing against the bottom of the bowl leaving a very slight quantity of unprocessed product. The transparent protection cover is provided with an opening which makes it possible to add products during process.

The food bowl and cutting group are completely built in stainless steel. The bowl also has a thermic bottom allows to use the bowl directly on a cooking surface. To facilitate cleaning the bowl has a rounded bottom and all visible parts are easy to remove. The cutter/mixer is designed and produced in conformity with EEC machine directives and with the European Safety directives.
