PLANETARY MIXER 20L WITH HUB

Model: XBM20AB3

Article no: 600250

Power supply: 400V 3Ph ~50Hz

Floor model, suitable for all kneading, blending and whipping operations. Body in non-corrosive material with 20 litre 18/8 (AISI 302) stainless steel bowl. Asynchronous motor with high start-up torque. (750 W) with mechanical speed variator (8 speed levels from 35 to 180 rpm) The bowl detection device allows the mixer to switch on only when the bowl and the safety screen are properly installed and positioned together. Raising and lowering of the bowl controlled by lever with an automatic locking of the bowl when in the raised position. The solid BPA-free safety screen and stainless steel wire structure are both removable and demountable and dishwasher safe for an easy cleaning. They are also fitted with a removable chute to for the possibility to add products while working, thus ensuring operator safety. The flat touch button control panel is water proof (IP55) and equipped with a timer from 0-59 min. Equipped with accessory drive hub type H.
