

PLANETARY MIXER 30L WITH HUB

Model: LMX30-JT302H

Article no: JT305H230601

Power supply: 230V 1Ph ~60Hz

This planetary mixer has a cast iron body and a powerful custom built motor with three fixed speeds. It's belt driven with gear box and high torque transmission. Heat-treated hardened steel alloy gears and shafts and permanently lubricated transmission.

The mixer is operated in front and has a 15 minute interval timer and a thermal overload protection. The mixer is equipped with a stainless steel bowl guard and lift. It also has a built in ingredient chute for adding ingredients while the mixer is running. With the attachment hub (#12) it's possible to make the mixer with the attachments (optional extras) as meat mincer and vegetable preparation.

MAIN FEATURES

- Three fixed speeds and timer.
- Overload protection.
- Bowl detection device.
- Ingredient chute.
- Attachment hub #12.
- Supplied with spiral hook, paddle and whisk.
